

TFP/P („Time-for-Pictures and Publication“) Model-Contract

between the „Model“ _____

and the "Photographer" Carsten Keil, keil@lichtbildkunst.org

§1 Photos

The photographer and the model agree that the photographer will take and possibly edit photos of the model in a photo session free of charge. The photos will be stored in the Adobe Creative Cloud and Microsoft OneDrive Cloud in the photographer's private accounts.

§2 Compensation (Fee)

The model will not receive any payment for the activity and the transfer of usage rights, but will receive a selection of the resulting and possibly edited photos as compensation. This compensation fully settles all claims of the model.

§3 Image Rights

The model and the photographer share the photos under a Creative Commons CC BY-NC license. This means that the model and the photographer:

- (1) may freely edit, alter, and enhance the photos through filters, format changes, tags, etc., using tools such as Photoshop, Instagram, etc.;
- (2) may use and publish the photos, possibly edited, without time, location, and content restrictions. In the event of publications, no party makes claims, not even against third parties;
- (3) may freely use and publish the photos, possibly edited, on the internet and social media channels such as Instagram, Facebook, WhatsApp, etc. Beyond this, the sale of the photos or the commercial transfer of image rights to third parties is excluded ("NC" non-commercial);
- (4) attribute the other party as the model or photographer in a publication ("BY"), such as by naming, linking, or similar (e.g., "Photos: Keil Lichtbildkunst, @keil.lichtbildkunst"; Model: xxx).

§4 Instagram Collaboration Agreement

The Model and the Photographer agree to publish at least one post on Instagram together as 'Collab Partners.' Both parties will agree on one or more images—potentially edited—and will coordinate the publication text and date. The post should remain public on both profiles for at least four weeks but can then be deleted unilaterally by either party.

§5 Contract Changes and Ancillary Agreements

Changes, additions, and ancillary agreements must be in writing. This also applies to the waiver of the written form itself. If individual provisions of this contract are invalid or become invalid, this does not affect the validity of the rest of the contract.
